EDITORIAL

## A NEW LIGHT ON DARK SKIN

Manufactured in Switzerland and prominent in Europe for nearly a decade, Makari de Suisse's treatments are designed to address the many skin concerns caused by the overproduction of melanin and hyper pigmentation experienced by men and women of darker complexions. The inspiring success stories from our customers keeps us firm in our commitment to avoid the use of harmful chemicals such as bleach or hydroquinone. Makari's products contain Végéclairine, a strong anti-oxidant which fights free radicals and combats the signs of aging. This high grade botanical complex diminishes the production of melanin naturally without harmful side effects.

Sold in over 50 countries worldwide, Makari de Suisse works to treat and help maintain a beautiful, clear complexion by offering a complete line of products with synergistically fulfill any beauty regimen helping to maintain healthy, beautiful skin.

MAKARI has revolutionized skin care for dark skins by combining traditional African, pan-African and Asian remedies with modern cosmotology. Makari's products contain natural botanic ingredients that have been used for hundreds of years to make dark skin beautiful.
