safe cosmetics

Maeve Minerals is a high performing mineral makeup range made from pure natural ingredients. Free of fragrance, preservatives and all things nasty, Maeve makeup is hypoallergenic and safe for even the most sensitive of skins. Versatile and long lasting Maeve mineral makeup offers superior coverage for a flawless finish. Maeve natural cosmetics offer everything you need to enhance your true 'natural' beauty. The minerals* in Maeve cosmetics reflect light away from the skin which greatly limits UV absorption thereby minimising damage by harsh sun rays. These same minerals also have incredible healing properties and are anti-inflammatory, anti-microbial, non-comedogenic and water-resistant. Meaning they will suppress & counteract inflammation, destroy or inhibit the growth of disease-causing micro organisms, won't clog pores or cause breakouts and won't come off while swimming.
