

# Chad's Carolina Corn (Popcorn)

## Overview

Chad's Carolina Corn includes the Original Flavor, Kettle Edition, Cinnamon Kettle Flavor, Caramel Corn, Buffalo Bleu, White Cheddar, Sour Cream and Onion, Kettle Edition, Jalapeno Cheddar, Salt and Vinegar, Dill Pickle (pictured here), and Dark Chocolate.

I started out by opening the bag of Caramel Corn and began tasting. Everyone knows how much I love caramel popcorn and Chad's was very good. Each piece of popcorn was lightly coated with caramel and it had a great balance between sweet and salty. It was one of my favorites and it was the first bag to be emptied. I think I ate about half the bag before closing it up and moving on to the next flavor, Buffalo Bleu. It tasted just like Buffalo wings with bleu cheese. It was also the spiciest of all the flavors. Sour Cream and Onion, Salt and Vinegar, and White Cheddar were some of my other favorites. The only flavor that I didn't care for was the Dark Chocolate. It really didn't have much of a dark chocolate flavor.

All of Chad's Carolina Corn was fresh and crunchy. And, I really liked those resealable bags. It kept the popcorn crunchy and I was able to enjoy it for a very long time.

These bags are sturdy and they have an aluminum lining on the inside. They are also resealable which makes it easy to enjoy the popcorn for a longer time.
