

Corporate Profile

About Us

City Arrow General Trading LLC is a diversified business organization, operating from United Arab Emirates.

We are involved in Import Export, Trading and Management services, successfully operating from a central location.

We, as a general trading company, source and service both overseas and domestic customers. The company maintains a large in house data, which enables us to quickly source commodities and materials and make prompt and competitive quotations for any customer requirement with the manufacturers information and specification.

It is always our endeavour that we coordinate and deal with reputed manufacturers and factories and that meets the satisfaction in terms of quality as well as price competitiveness of our end user.

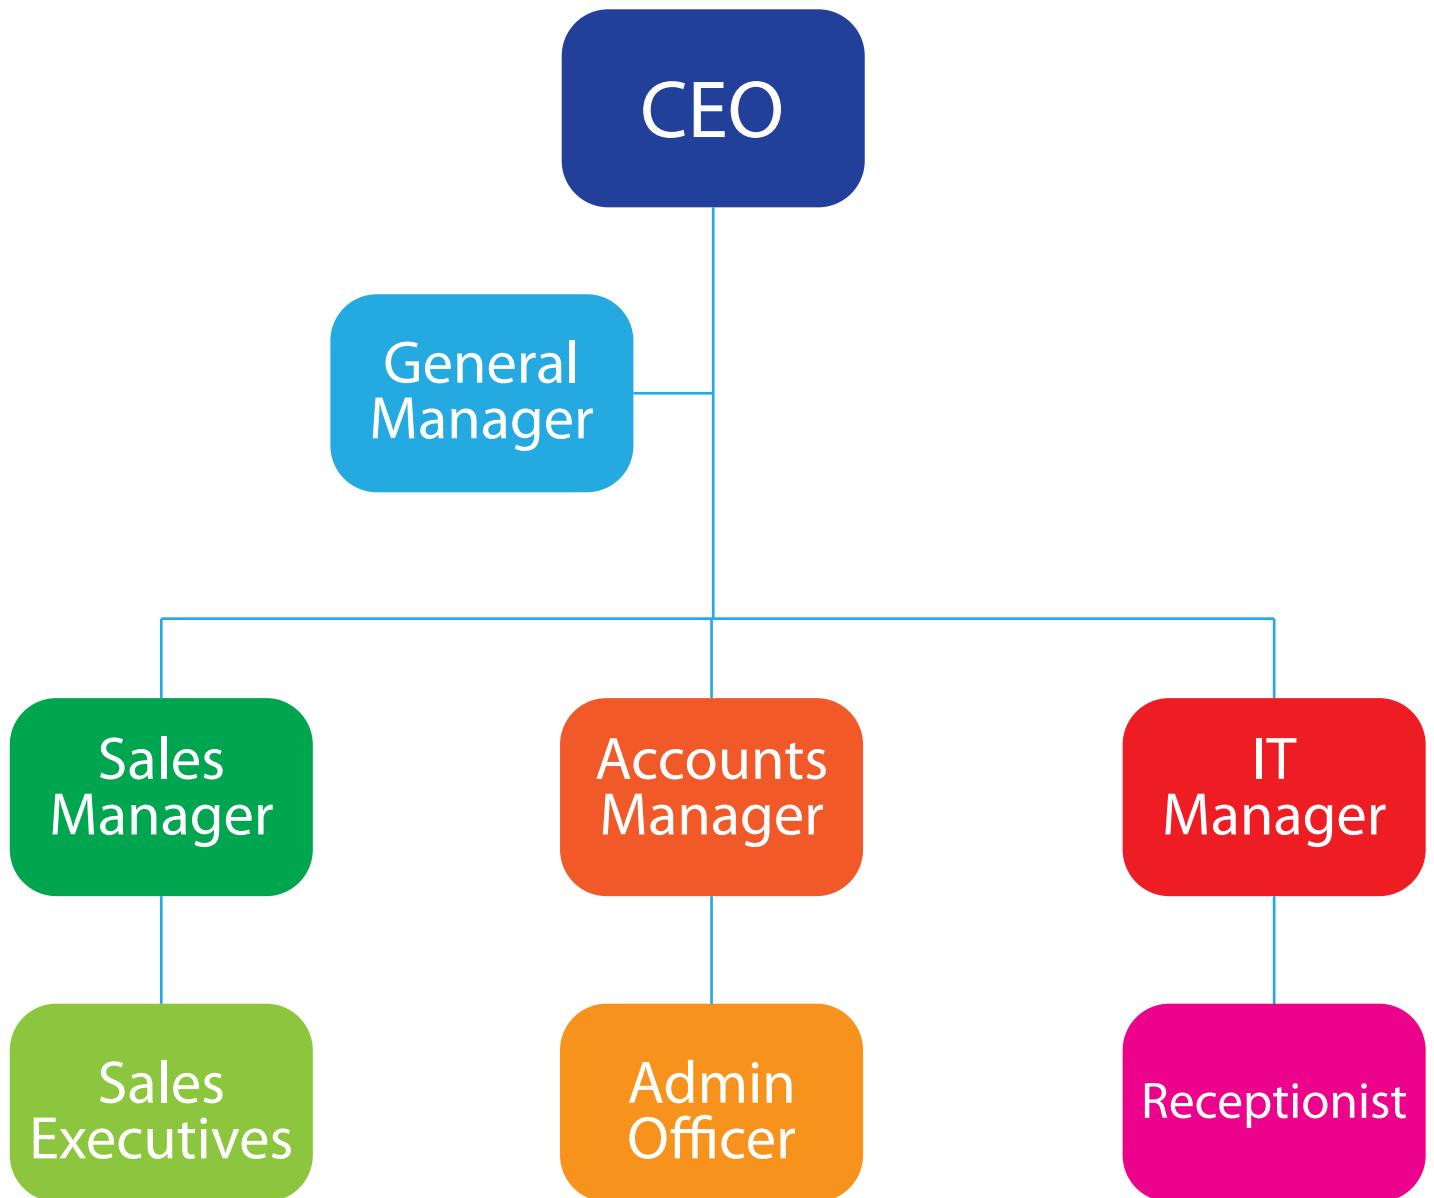

City Arrow General Trading LLC, a multi diversified general trading company in various, food, IT products & services, represent many manufacturers and distributors in the competitive market. These arrangements are an asset to reduce operation cost and become more competitive in the international markets. While we manage export for our principles, we take complete responsibility from marketing, taking orders, export packing, shipping, and export documentation and after sales customer support.

City Arrow General Trading LLC, is a well established company with new ideas & values. We follow a simple promise provide quality workmanship and dependable services. It is a simple idea, but one that has served many clients well. That's why, 75% of our continued business is the result of this contacts and referrals from owners, developers, IT architects and engineers who are pleased with our work.

This idea can be characterized in three words - responsible, reasonable and responsive.

The company has enjoyed a period of strong growth and achievement since inception. Our determined dedication to serve the clients interest flows throughout the company, from grass root to the top. When you deal with City Arrow General Trading LLC, you quickly discover what this means.

Our Structure

Our Mission

The primary objective of our company is Pursuit of excellence in the field of procurement, services and supplies of IT Products & Services, Food, Minerals, Construction material, cotton and leather garments. The organization is consistently endeavouring to achieve optimum results from its various business operations in United Arab Emirates.

Our Mission statement translates into:

QUALITY ASSURANCE:

All dealings, shipments, services rendered by City Arrow General Trading are assured to be of the highest level of integrity and the quality of services are in line to our clients requirements and specifications.

COMPETITIVENESS:

Total business awareness in the area of Information Technology, and supplies of various commodities and products are offered by us. A large in-house data base and other informative system and resources are used to source material and equipment from multiple manufacturers thereby affording a price comparison. The company ensures that it maintains a competitive edge in pricing on global levels. The shipping cost to customer is cut by consolidation of freight and effecting shipping from the nearest port of exit.

RESPONSIVENESS:

All quotations, requests and subsequent enquires are answered with utmost speed. One In-house associate is dedicated to the task of monitoring progress on all requests and projects.

RESPONSIBILITY:

City Arrow General Trading is not only responsive but also a responsible vendor. We stand behind all goods and materials shipped by us and ensure that all orders are shipped in time to meet promised delivery schedules.

DELIVERY:

Our delivery of cargo is factual and firm. We are extremely careful in ensuring that your orders are shipped within delivery time promised to you. However, countdown on such a delivery schedule starts after the payment arrangements have been made to the mutual satisfaction of both the parties.
