- Reduces wrinkle depth and volume
- Smooths skin texture
- Softens signs of aging

COLLAGEN III AMPLIFIER SYSTEM

In human tissue there are at least ten distinct collagen types. Collagen III is known as the "reconstructing collagen," found predominately in younger skin. This unique formulation inhibits the destruction of Collagen III, thereby promoting new collagen growth and providing age defying benefits when used as a daily regimen.

- Prevents the formation of new facial lines
- Stimulates collagen production
- Improves tone and elasticity

COLLAGEN SYNTHESIZER

Refresh! Restore! Renew! Peptides have become increasingly popular and effective among the wrinkle-reducing skin care products. Collagen Synthesizer's unique peptide formula is proven to stimulate collagen formation in the skin. With regular use, it will mimic the human body's own ability to manufacture new collagen.

- Alters and reduces facial lines
- Stimulates collagen production
- Rejuvenates and nourishes skin

ANTI-OXIDANTS ARE ABUNDANT IN MANY VITAMINS, ESPECIALLY IN FRUITS AND VEGETABLES. OUR SCIENTIFICALLY ADVANCED FORMULATIONS STIMULATE CELLULAR RENEWAL, REPAIR DAMAGE CAUSED BY FREE RADICALS AND PROVIDE SIGNIFICANT AGE REFINING BENEFITS.

VITAMIN C+ SERUM

Vitamin C is a powerful anti-oxidant that stimulates cell renewal and the production of both collagen and elastin. Vitamin C also boosts the skin's natural immune properties, minimizing and repairing the damage caused by free radicals. Vitamin C+ Serum is available in both a 10% and 25% solution.

- Brightens skin
- Firms and tones the skin
- Fights and repairs sun damage

VITAMIN C+ 12% SERUM (STABLE)

Vitamin C+ 12% is a stable and powerful anti-oxidant that stimulates cell renewal and the production of both collagen and elastin. Vitamin C+ 12% boosts the skin's natural immune properties, minimizing and repairing the damage caused by free radicals.

- Brightens skin

VITAMIN C+ CREAM

Vitamin C+ Cream combines the antioxidant power of Vitamin C with the rich moisturizing properties of Squalane and Jojoba Oil, resulting in an extremely effective anti-oxidant moisturizer.

- Repairs skin damage
- Brightens skin tone and improves texture
- Stimulates collagen & elastin production
- Firms and tones the skin

TRIPLE ACTION VITAMIN C

Nurture your skin with one of the most powerful skin care formulations available. Triple Action Vitamin C combines three forms of Vitamin C for maximum results. The solution penetrates into the epidermis, improving collagen production and blocking skin-damaging free radicals. Skin is left refreshed and radiant.

- Reduces fine lines and wrinkles
- Improves texture and tone of skin
- Fights and repairs skin damage caused by free radicals

RED TEA SERUM

From the mountains of South Africa, Red Tea (Rooibos) has been used for centuries as a healthful beverage for its high concentration of antioxidants – 50 times greater than that of Green Tea. We've chosen the purest form of Red Tea to create this highly potent, anti-oxidant rich formula. Red Tea Serum penetrates deep within the skin to provide protection against sun damage and pollution, promoting healthier, younger looking skin.

- Soothes irritated skin
- Reduces inflammation
- Improves texture and skin tone

COQ10 CREAM

CoQ10 is an essential anti-oxidant, found in every living cell, that provides the energy source for cellular renewal and proper function. As you age, your natural level of CoQ10 diminishes and skin begins to show signs of aging, wrinkles, fine lines and the loss of elasticity. CoQ10 Cream combines the power of CoQ10 with essential oils, extracts and actives to repair skin cells, revealing smoother, firmer, more youthful skin.

- Helps to renew collagen and elastin
- Repairs skin cells
- Reduces fine lines and wrinkles

MINIMIZE AND HEAL BLEMISHES WITH PORE CLEARING TREATMENTS. YOU WANT RESULTS... FOR EVERY SITUATION? THERE'S A SOLUTION!

SOS CELLULITE TREATMENT

This scientifically-proven formula is a powerful treatment that visibly reduces existing cellulite as it inhibits free fatty acid production while stimulating lipolysis, which recycles these fatty acids into energy. SOS uses an innovative mode of action, inhibiting the formation of new blood cells which suppresses cell maturation and forces the adipocytes (fatty cells) to stay dormant, non-operational and in a non-fat storing form.

- Restricts & eliminates the storage of fats
- Tones and firms skin
- Reduces cellulite and prevents future cellulite formation

NECK FIRING CREAM

Reverse the signs of aging with advanced fat dissolving, skin tightening actives. Neck Firming Cream stimulates cell circulation to remove toxins as it melts away fat and inhibits the formation of fat deposits. Skin is left smoother and more toned. Also recommended for décolletage.

- Firms and tones delicate skin
- Stimulates cellular circulation
- Reduces fat deposits and prevents future formation

HGF TRIPLE WHITENING SERUM

A combination of three cutting-edge ingredients: Alpha Arbutin, Melanostatine 5 and Tyrostat for a safe whitening serum. Skin becomes lighter, smoother and has more even pigmentation. This innovative formula contains intensely moisturizing Hyaluronic Acid and natural extracts to leave skin refreshed and rejuvenated.

- Lightens skin
- Blocks and inhibits tyrosinase activity
- Limits melanin production
- Reduces redness (erythema)

GIGA WHITE / BIO WHITE SERUM

Combining two effective, plant derived, skin lighteners, Giga White / Bio White Serum encourages the promotion of a brighter, more uniform complexion. By inhibiting the production of tyrosinase, Giga White / Bio White Serum helps to stop the formation of melanin pigment, while the plant extracts help to exfoliate dark surface cells. Within weeks, pigmented spots are reduced in color, size, and quantity and skin appears smoother, softer, and more supple.

- Lightens skin
- Blocks and inhibits tyrosinase activity
