Tungsten Carbide Jewelry are made to last a lifetime.

Our Tungsten bands are a natural choice for men who want a resilient metal that shows little signs of wear.

They are very masculine because of the tough and enduring qualities of this unique metal. Tungsten is a heavy metal yet also hypoallergenic.

Our bands are virtually scratchproof, and make the perfect gifts for Graduation, Father's Day, Valentines Day, Groomsman gift or for a Wedding Band for that special occasion you wish to commemorate.
