FAQs - Frequently Asked Questions

Q. Who can invest in Spot Gold Trading?

A. There are no restrictions on who may invest in gold trading as long as the person/corporation is a bonafide legal entity.

Q. How do you make money in Spot Gold trading?

A. In spot gold trading, you can either choose to place a BUY or SELL order. Just like FOREX, rather than trading currency pairs, you are trading the spot for gold. You are simply trading in positions either to make money on whether the price of gold increases or decreases over the duration of the contract. You can close out your orders and take your profits or cut your losses short by placing the reverse or opposite order to match your initial position.

Q. What are the risks involved in Spot Gold Trading?

A. Gold Trading markets can and does move with great speed worldwide owing combination / confluence of events. This is what makes gold trading so profitable but it also has its own risk factors. You may be required to infuse additional margins in case of adverse price movements.

Q. How much is the minimum investment?

A. We offer as low as US \$ 10,000.00 to open an account and start enjoying the profit potential from the market.

Q. What will be the basis of my decision in trading?

A. You have access to 24 hours news reports, through the WORLD WIDE WEB, CNBC ASIA, CNN, BLOOMBERG etc. BUY/SELL signal giving technical indicators and commentaries from important international finance personalities and other major market movers. All of these will be made available to you so you can make your decision intelligently.

Q. How will I know if my account is performing?

A. Your trading account will be updated on REAL TIME through the Account History in the MetaTrader4 Trading Platform. Any other documents or clerical assistance you may require will be made upon request.

Q. What documents do I receive?

A. You will receive:

1. A copy of CUSTOMER'S AGREEMENT
2. Copy of the Trading Rules, Confirmation and Acceptance Letter, your Trading Account Number

and Login Password from Marigold International Bullion Dealers Ltd. (MIBD)

Q. How can I open an account?

A. Simply download, print, fill-up and sign the CUSTOMERS AGREEMENT in our website and forward it to our Customer Service Department. Please instruct your Bank to remit the initial trading capital to:

Bank: [Standard Chartered \(Hong Kong\) Limited](#)

COMPANY ADVANTAGES

- We offer low spread and low House Commission in the industry.
- Orders are executed fast. MIBD accommodates orders even in times of high volatility compared to frequent slippages on other houses.
- We provide limit orders for our clients to protect them from sudden adverse market movements and at the same time allowing them to maximize profits by putting take profit orders at specific levels other houses require you to be physically present in their offices, or will charge you for that service.
- Customer Service Department render 24 hours service Monday to Friday to accommodate further inquiries regarding our trading platform.
- Necessary Margin Requirement US\$1,000 / 1 lot transaction, Day Trade or Night Trade.

PROFIT/LOSS CALCULATION

Profit Calculation against US Dollars:

Profit/Loss = (Sell Price - Buy Price) X Contract Value X No. of contracts Less (+/-) Interest

EXAMPLES:

(Long Term)

Had you invested \$10,000 in February 2010, your initial investment would have grown to \$31,950.00 by 06/21/10 – an amazing 219.50% percent increase.

Sell Price : US \$1264.00
Open Price : US \$1044.50
Contract Value : 100 oz.

Calculation of Profit and Loss:
= (1264.00 – 1044.50) X 100 X 1
= US \$21,950.00 (Profit)

(Short Term)

Sell 1 contracts of Spot Gold and settle on the same day.

Open Price : US \$1111.25
Buy Price : US \$ 1059.61
Contract Value : 100 oz.

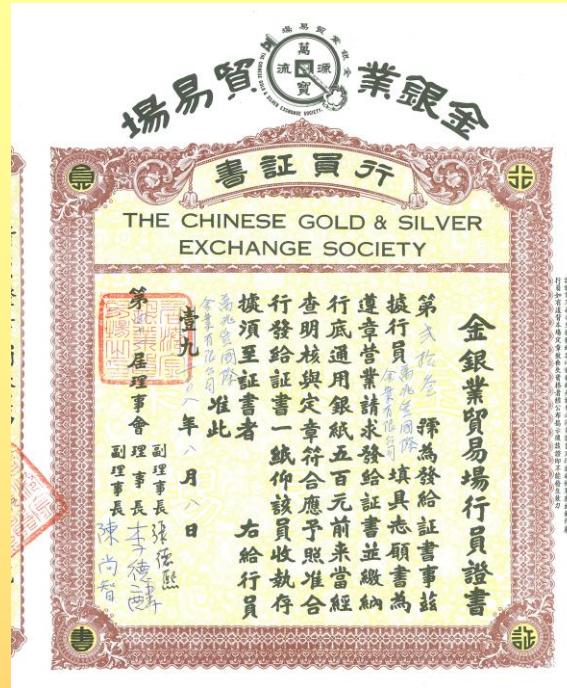

Calculation of Profit and Loss:
= (1111.25 – 1059.61) X 100 X 1
= US \$5,164.00 (Profit)

Buy 3 Contracts of Spot Gold and settle on the same day.

Sell Price : US \$ 1106.80
Open Price : US \$ 1076.55
Contract Value : 100 oz.

Calculation of Profit and Loss:
= (1106.80 – 1076.55) X 100 X 3
= US \$ 9,075.00 (Profit)

(Brokers Fee not yet Included)
