

The logo for Verde Oro Olive Oil Company features the brand name in a stylized, rounded font. 'Verde' is in a dark green color, and 'Oro' is in a golden-brown color. The text is set against a light green, oval-shaped background that resembles a stylized olive leaf or a drop of oil. The background of the entire image consists of soft, wavy lines in various shades of green and yellow, suggesting a landscape of rolling hills under a bright sky.

Verde Oro

Olive Oil Company

Today the same old taste...

A brief introduction ...

Verdeoro SLR is an Olive Oil Company run by Mantuano Family , whose name is combined with oil's world since the early 1900 and today it is a leader in the world in terms of productivity and new technologies. Verdeoro proudly affirms that its products are appreciated by all its Customers for their impeccable organoleptic and analytical compositions.

Verdeoro in the world ...

Verdeoro quality ...

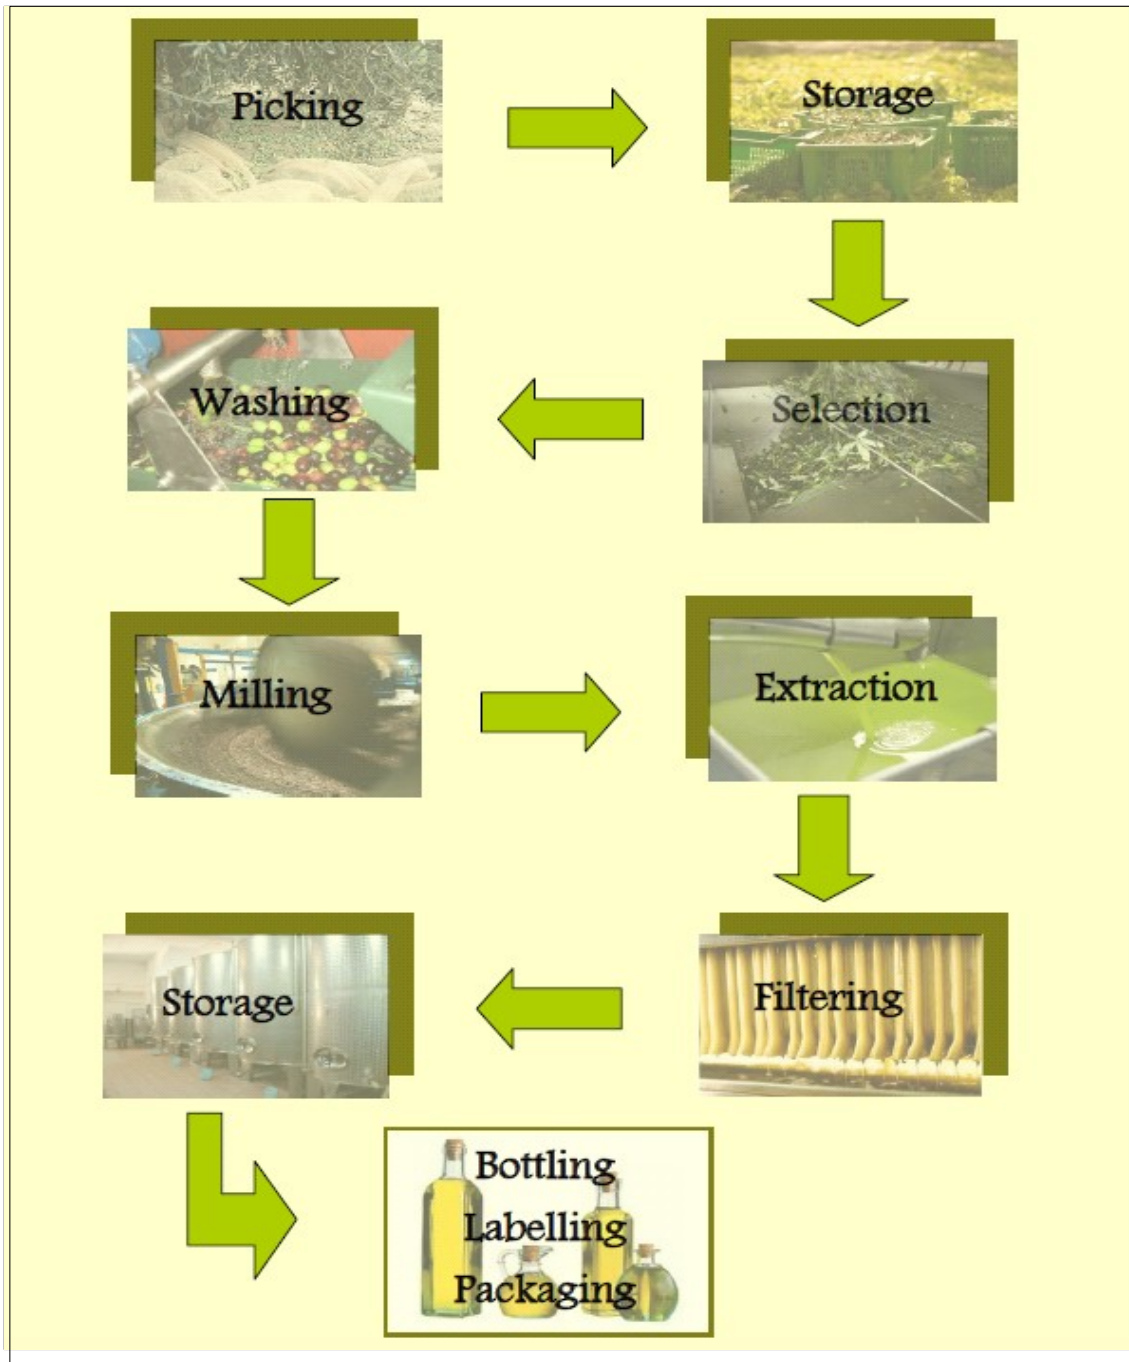

All the tests and controls on raw materials and finished products are meticulously carried out by its internal Laboratory and by another qualified Laboratory CHEMISERVICE SLR, specialized in Research, chemical and microbiological analysis. This is the way Verdeoro can maintain a constant monitoring on the different phases of the production process, ensuring always and consistently high product quality, always using modern equipment such as HPLC and the spectrophotometric analysis of the UV.

... Quality ...

Quality is actually Verdeoro Key Factor granted even by the use of inert gas, nitrogen, so as to replace the dissolved oxygen and to block the oxidation process.
