

Dong Guan Fei Hao Industry Company

Company Profile

Established in June 1996, our company specializes in the developing, manufacturing and selling of various types of consumer electronic products with strong capital, good management, strong R & D capability, advanced equipment and detection methods. We have been granted contract, and trustworthy enterprise" by city government department and considered as a High-tech Enterprise With self-import and export business .

Our main items include TV Games, Sport Games, Educational Games, wireless system, Bluetooth speaker, headphone and other bluetooth devices. We have served many famous brand such as HENGMEI, FEIHAO, QIJIAN, MEITRUMEI and HAMY.

Quality is our life. We have got through the certification of the ISO9001: 2000 quality management system, and the "China Compulsory Certification" issued by Quality Certification Center of China. Also, we got ICTI certification, our Seal Number is C3867.

Our company is located in Huang jiang Town, dong guan city, China. Our factory is just one hour from ShenZhen airport. We have around 1000 employees and several branches in the mainland and Hong Kong. Our agents distribute big and medium-sized cities nationwide and overseas. There are more than 300 companies that establish business relationship with us.

We have had a large number of customers in the country and Europe, South America, the Middle East, Southeast Asia and Russia. To open up new markets, we welcome the friends of national and areas around the world to become our company's agents very much.

We attend Canton Fairs and Hong Kong Electronic Fairs every year. As we located in Dong Guan city, our production cost is lower than Shenzhen factories. What's more, we do more strictly quality standard than most of them in this field. So, Our products have been generally popular at home and abroad. We warmly welcome all of the friend customer come to visit our factory, we believe you will be satisfied.

Looking forward your coming and let's do win-win business together.
