**Changjiang Furniture Co., Ltd.** is a Hong Kong-invested enterprise launched by Hong Kong Guanghua Far East (Trade) Development Company in Shenzhen in 1986, with its headquarters located in Longhua Neighborhood Office, Bao'an District, Shenzhen and three branch factories, one in Shenzhen, two in Huizhou. Covering an area of more than 150,000m<sup>2</sup>, the factory now has over 1360 employees and an annual output value of 80~90 million USD. Our products cover all varieties of Office & Hotel furniture including veneer products, MFC, HPL and Chair, Sofa etc.

Adhering to the corporate spirit of "Unity, Struggle, Innovation and Efficiency", the company has always been a leader of the development trend of office furniture in its 20 years of history. Meanwhile, the company formed office furniture production lines that are first rate domestically by importing state-of-the-art processing equipment of the world, including CNC computer-controlled processing center, an extra large German plant that is the most advanced in the furniture industry; central computer de-dusting system from Denmark and the most advanced automatic spray coating line from Italy. The internationally advanced equipment has ensured the quality of Changjiang furniture.
