Bathroom Mirror Cabinet  
IP44 rated backlit mirror cabinet;  
Mirror Size: H600mm x W650mm;  
Mirror Frame Cutout: H560mm x W610mm;  
56 LED bulbs (4W);  
Safety isolated dual voltage shaver socket;  
Isolated dual voltage transformer;  
Pull cord on/off switch.

LDL-LED-C-E6560

IP44 rated backlit mirror w/digital clock;  
Mirror Size: 600(height)mm x 450(width)mm;  
Mirror Frame Cutout: 595(height)mm x 445(width)mm;  
56 LED bulbs (4W);  
microwave on/off motion sensor

LDL-LED-E6045T

IP44 rated mirror with cool white LED bulbs;  
Bevelled Mirror Size: H700cm X W500mm X D50mm;  
Built in dual voltage shaver socket independent from LED mirror light;  
Isolated dual voltage transformer included;  
Controlled by microwave on/off motion sensor  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LCM-LED-E7050-S

IP44 rated mirror with cool white LED bulbs;  
Bevelled Mirror Size: H600cm X W500mm X D50mm;  
Built in dual voltage shaver socket independent from LED mirror light;  
Isolated dual voltage transformer included;  
Controlled by microwave on/off motion sensor  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LCM-LED-E6050-S

IP44 rated LED backlit mirror;  
Mirror Size :H700\*W500\*D35 mm;  
64 LED bulbs Controlled;  
by microwave on/off motion sensor

LDL-LCM-LED-7050

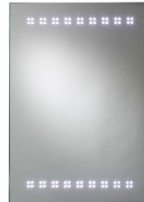

Beam LED Backlit Rectangular Bathroom Mirror;  
730mm x 530mm x 40mm;  
26 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Can be hung landscape or portrait;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-7353B

Flare LED Backlit Rectangular Bathroom Mirror;  
730mm x 530mm x 40mm;  
42 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Can be hung landscape or portrait;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-7353F

Star LED Backlit Rectangular Bathroom Mirror;  
730mm x 530mm x 40mm;  
72 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Can be hung landscape or portrait;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-7353L

Heat LED Backlit Rectangular Bathroom Mirror;  
730mm x 530mm x 40mm;  
60 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Can be hung landscape or portrait  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-7353

LED Backlit Rectangular Bathroom Mirror;  
800mm x 600mm x 40mm;  
30 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Can be hung landscape or portrait  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-8060B

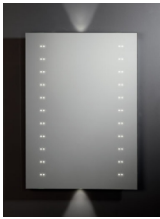

LED Backlit Round Bathroom Mirror;  
600mm Diameter x 46mm Deep;  
16 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-600

LED Backlit Rectangular Bathroom Mirror;  
700mm x 450mm x 40mm;  
22 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-7045B

Refraction LED Backlit Rectangular Bathroom Mirror;  
750mm x 550mm x 35mm;  
44 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-7555A

LED Backlit Rectangular Bathroom Mirror;  
900mm x 600mm x 40mm;  
72 LED's;  
Long life LED's - life expectancy 60,000 hours continuous use;  
Can be hung landscape or portrait;  
Controlled by microwave on/off motion sensor  
IP44 Rated - for safe use above basin and within zones 2 and 3;  
Enclosed electrics for safety;  
All fixing are supplied;  
Easy to install;  
CE&RoHs compliant.

LDM-LED-6090

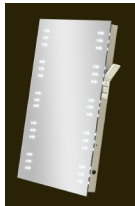

IP44 rated backlit mirror;  
Mirror Size: 500mm;  
Mirror Frame Cutout: 440mm;  
12 LED bulbs (1.2W);  
microwave on/off motion sensor

LDL-LED-R-50

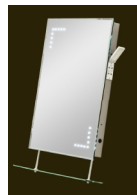

IP44 rated mirror with cool white LED bulbs;  
Bevelled Mirror Size: H700cm X W500mm X D50mm;  
Built in dual voltage shaver socket independent from LED mirror light;  
Isolated dual voltage transformer included;  
Controlled by microwave on/off motion sensor  
With integral glass shelf;  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LCM-LED-E7050D

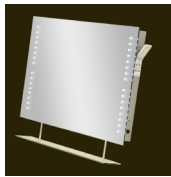

IP44 rated mirror with cool white LED bulbs;  
Bevelled Mirror Size: H700cm X W500mm X D50mm;  
Built in dual voltage shaver socket independent from LED mirror light;  
Isolated dual voltage transformer included;  
Controlled by microwave on/off motion sensor  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LCM-LED-E7050S

IP44 rated mirror with cool white LED bulbs;  
Bevelled Mirror Size: H600cm X W450mm X D50mm;  
Built in dual voltage shaver socket independent from LED mirror light;  
Isolated dual voltage transformer included;  
Controlled by microwave on/off motion sensor  
With integral glass shelf;  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LCM-LED-E6045D

IP44 rated mirror with cool white LED bulbs;  
Bevelled Mirror Size: H500cm X W900mm X D50mm;  
Built in dual voltage shaver socket independent from LED mirror light;  
Isolated dual voltage transformer included;  
Controlled by microwave on/off motion sensor  
With integral glass shelf;  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LCM-LED-E5080D

62 pcs Cool White LEDs (5W);  
Exclusive Infinity Mirror;  
Innovative Infinity Mirror Sensor;  
Eye-catching Infinity Mirror Design;  
Width: 450mm;  
Height: 600mm;  
Depth: 35mm.

LDL-LED-T-E6045

IP44 rated backlit mirror with motion picture;  
Such new light box with a sensor will activated whenever something is near or moving, meanwhile switched on like a mirror or back to advertising;  
Light source: white LED;  
Color of light: white, blue, green and red;  
Aluminum snap frame (H600mm x W450mm)  
Thickness: 24mm

LDL-LED-MT

IP44 rated backlit mirror cabinet  
Mirror Size: 600(height)mm x 650(width)mm;  
Mirror Frame Cutout: 580(height)mm x 630(width)mm;  
10 x G4 12V 10W Max;  
Electronic transformer;  
Dual voltage shaver socket included;  
Isolated dual voltage transformer included;  
Pull cord on/off switch.

LDL-LCM-CB-E6560-10G4

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with 8 small rectangular light windows;  
Controlled by microwave on/off motion sensor  
Dual voltage shaver socket included;  
Isolated dual voltage transformer included;  
Defogger included;  
Fixture Size: H700mm x W500mm x D50mm;  
Requires 2 x T5, 13W fluorescent tubes (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-QB-7050D

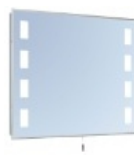

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with two rectangular light slits;  
Controlled by pull cord switch;  
Fixture Size: H500mm x W390mm x D50mm;  
Requires 2 x T8, 15W fluorescent tubes (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-QA-5039S

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with two rectangular light slits;  
Controlled by microwave on/off motion sensor  
Dual voltage shaver socket included;  
Isolated dual voltage transformer included;  
Fixture Size: H500mm x W390mm x D50mm;  
Requires 2 x T8 15W fluorescent tubes (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-QA-5039D

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with 8 small rectangular light windows;  
Controlled by pull cord switch;  
Fixture Size: H600mm x W900mm x D50mm;  
Requires 2 x T5, 13W fluorescent tubes (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-QB-6090S

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with frame light band;  
Controlled by pull cord switch;  
Fixture Size: H500mm x W390mm x D50mm;  
Requires 2 x T8 15W + 2 x T5 6W fluorescent tubes (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-QD-5039S

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with frame light band;  
Controlled microwave on/off motion sensor  
Dual voltage shaver socket;  
Isolated dual voltage transformer included;  
Fixture Size: H500mm x W390mm x D50mm;  
Requires 2 x T8 15W + 2 x T5 6W fluorescent tubes (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-QD-5039D

IP44 rated backlit mirror;  
Mirror size: 500(height)mm X 500 (width)mm;  
Mirror Frame Cutout: 430(height)mm X 430 (width)mm;  
1xT9, 40W circular fluorescent tube;  
Microwave on/off motion sensor.

LDL-LCM-R-ET5-44

IP44 rated backlit mirror;  
Mirror Size: 440mm;  
Mirror Frame Cutout: 430mm;  
1xT5, 40W circular fluorescent tube;  
Microwave on/off motion sensor.

LDL-LCM-ET9-5050

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with round light band;  
Controlled by pull cord switch;  
Fixture Size:  $\phi$  600mm x D50m;  
Requires 1xT5, 40W fluorescent tube (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCMR-60S

IP44 rated bath mirror for bathroom use;  
Highly polished bevelled mirror with 3 circular arc light band;  
Controlled by pull cord switch;  
Fixture Size:  $\phi$  500mm x D50mm;  
Requires 1xT5, 40W fluorescent tube (supplied);  
Product material: Iron & mirror;  
Finishing: Shiny white;  
CE approved.

LDL-LCM-R-ET5

one side, LED, 220 Volt  
8.5 inch, to be make of iron or stainless steel  
with 5X and 7X magnifying  
best price on good quality  
CE approved
