

Fuzhou Flor Decor Technology Co., Ltd., founded in 2004, is located in High New Technology Industrial Park of Fuzhou, Fujian. Our company is one of the leading manufacturers and exporters of Solar Lamps, Solar Fountains and other Solar applications.

All of our products comply with international quality standards, and are greatly appreciated in various different markets throughout the world. For years, our sales team has endeavored to achieve yearly turnover of USD1,500,000.

We have set up a professional R & D department, and offer sales and after-sales service to our customers. We are well equipped with all necessary devices in our SMT lines and assembly lines. All of our products have passed the tests and obtained CE and RoHS certificates.

We ensure that you will get the best quality products and the most competitive prices in the market.

Please feel free to contact us and visit our website to see what you need.

We are looking forward to establishing mutually beneficial relationships with you in the near future.

Solar butterfly floating light(SOF5011)

Detailed Product Description

Solar butterfly floating light(SOF5011)

- 1.Solar powered
- 2.CE&ROHS approved
- 3.Nicety for garden

Solar butterfly floating light(SOF5011)

- 1.illumination
- 2.decorative for garden

- 3.solar power light
- 4.durable&Eco- friendly

1,**Main Material**:Plastic ,single crystal silicon/polysilicon solar panel.

2.**color changing**

3.**packed**white box,brown box,color box,etc.optional

4.**size**:optional

5.**Solar panel**: 2V/4V120mA,140mA,180mA(optional)

6.**Rechargeable battery**: 1.2V1200mA/1500mA/1800mA.optional

7. **Full charged Working time** : about 15hrs

8.**Charging time** : 6-8hrs

Main Features :

- 1. New design, powered by solar energy, no extra bill, no AC or DC power needed, safe & convenient, Eco-warrior.
- 2. LEDs super lights have 2 different modes of glimmering: flash and steady on
- 3. With on/ off switch button, if you want to switch on the light, the solar powered panel must be in the dark surroundings, otherwise the light can not light
- 4. No dangerous extension leads
- 5. Suitable for using in garden, bar, restaurant and any outdoor party.
- 6. High quality & reasonable price
- 7. **ROHS & CE** passed,passed the **Kmart's factory evaluation** and **ISO9000:2000 Quality Management System certification.**
- 8. waterproof
- 9.Very Beauful and lovely

Solar floating pool light(SOF5013)

Detailed Product Description

Solar floating pool light(SOF5013)

- 1.Solar powered
- 2.CE&ROHS approved
- 3.Nicety for garden

Solar floating pool light(SOF5013)
