About the Company

MODERN EMIRATES HEAVY CRANES LLC (MEHC) is a regional supplier of Tower Cranes, Passenger Hoists, Generators, Construction Equipments and Spare Parts. Established in Dubai in 1990. MEHC owns and operates fleet of more than 250 brand new and approved second-hand tower cranes of various types, brands, and models; and that are available for sale and hire.

MEHC is based in Dubai Jebel Ali Techno Park and handles Client operations that stretch to all quarters of the Middle East region.

We also have an office & yard facilities in Doha, Qatar.

We have set up an office in Riyadh in Saudi Arabia. We will have an office in Jeddah and Dammam shortly. However, we are supplying and commissioning our Cranes at Saudi Arabia since last two years.

We have a large quantity of spare parts for all types of tower cranes & passenger hoists which we also sell to other companies in the market.

Contacts : Tel : 00971 4 8867 213, Fax: 00971 4 8867 214

Overview

MEHC strives to deliver the highest level of service and a diverse range of options to help meet Client's needs. This powerful combination makes MEHC invaluable in providing professional service.

Quality Policy

Modern Emirates Heavy Cranes was established in Dubai in 1990 and has become a professional company dealing with sale and rental of Tower Cranes, Passenger Hoists, Generator's & Spare Parts with back up service.

It is our aim to enhance this reputation by :

- Providing the highest standards of service to our customers.
- Achieving and maintaining excellence in all our activities to ensure projects are executed to the full satisfaction of our Customers.

We will achieve this aim :

- By clearly defining quality objectives processes and systems that are subject to continual improvement in order to exceed organizational and customer needs and expectations.
- By improving the processes based on customer feedback and audit findings and creating adequate resources infrastructure.
- By complying with the specifications, standards and procedures at all stages of contract execution with the emphasis on the prevention of defects and provision of safe working conditions.
- By fostering an environment in which creativity and responsibility are encouraged at all levels of the Company's management structure.
- Through proper sourcing of materials and labour & plant resources.
- By developing a highly motivated, efficient and competent workforce, which is committed to achieving **“Total Customer Satisfaction”**

Our People

MEHC's has been growing at double digit rates since 1990. Along the way, MEHC has assembled a community of the best and brightest in this industry-Marketing and Sales Managers, Engineers, Supporting staff, and professional field personnel, including superintendents, all of whom are proud to contribute their energy in shaping the future of this industry.

By bringing together the most talented people in our industry, we offer our clients more than mere construction experience — we offer them the hearts and minds of those individuals and the collective expertise of all the people in our company. The result is a partnership, in which we help our clients not only build their projects but, more importantly, build their businesses.
